

"Fair pricing was the first thing that drew me to SumUp."

How **Heaven Coffee House** take orders in *just a few clicks* with SumUp

Heaven Coffee House is based in vibrant Bristol, offering high-grade coffee and delicious cakes in a community space for all. We spoke to owner Ian about how he was drawn to SumUp's transparent pricing, and how POS features made coffee orders a breeze.

"It took me **just a few minutes** to get our staff up and running on our *POS Pro* system."

"Having *modifiers* on *POS Pro* for our coffee orders **saves us a lot of time.**"

Point of Sale *Pro* with Solo card reader
